

# EVANGELISM AND LEADERSHIP, M.A.

Director, Michael Hakmin Lee

Our mission for this degree track is to develop people for effective work in evangelism that is informed by critical engagement with the nature of the gospel, Christian life and thought, and the cultures of the contemporary world. The Great Commission is a call for all followers of Christ to be engaged in the process of leading people to a relationship with Christ and nurturing them in discipleship and Christian growth. This can only be done through the power of the Holy Spirit and sensitive engagement with contemporary cultural, philosophical, historical, contextual, and lifestyle realities.

The Master of Arts in Evangelism and Leadership at Wheaton College will equip students to think critically and act creatively to communicate the gospel and lead the change that's needed in our contemporary, multi-ethnic world.
