

BIOLOGY MAJOR WITH A MASTER OF ARTS IN TEACHING

A **Master of Arts in Teaching** (M.A.T.) program is available with a Biology major. A combined Bachelor's/M.A.T. program may be completed in five years and one summer. This combined Bachelor's and Master's program is only available to currently enrolled students. See the Education (<https://catalog.wheaton.edu/undergraduate/arts-sciences/education/>) section of this catalog for further details.
