

LEADERSHIP CERTIFICATE

The Leadership Certificate seeks to foster the development of emerging leaders who seek a depth of character and skill that will enable them to contribute to effective and redemptive communities, organizations, and churches. This certificate integrates coursework with a progression of transformation experiences that involve hands on leadership in real world settings. Participation in the program will encourage students to...

- Deepen learning and transformation
- Cultivate character and personal integrity
- Explore the theology and theories of leadership
- Develop proven leadership competencies
- Engage their learning in leadership of self and others
