

# GENERAL STUDIES ENDORSEMENT FOR FOURTH- YEAR MAJORS IN PHYSICS AND ENGINEERING

---

Requirements for the General Studies Endorsement for Fourth-Year Majors in Physics and Engineering are 12 credit hours, as follows:

| Code  | Title | Credits   |
|---|-------|-----------|
| <b>Physics and Engineering Department:</b>  |       | <b>12</b> |
| 12 elective credits outside the Christ at the Core curriculum, the ENGR, MATH, or PHYS department prefixes, or any other requirements in the student's program of study. <sup>1,2</sup> |       |           |
| <b>Total Credits</b>  |       | <b>12</b> |

<sup>1</sup> "Program of study," in this context, refers to any other majors, minors, certificates, endorsements, or fellowship programs a student declares. This endorsement cannot share credits with any other curricula.

<sup>2</sup> Only credits taken at Wheaton during a student's fourth year will count towards the endorsement, but credits taken before the fourth year may count with departmental approval.
